

TITLE 5

BUSINESS LICENSES AND REGULATIONS

Chapters:

[5.02 Permits](#)

Chapter 5.02

PERMITS

Sections:

- 5.02.010 Permits Required
- 5.02.020 Failure to Obtain a Permit

5.02.010 Permits Required

Any person desiring to construct any buildings, remodel or make any additions to any buildings, move in or remove any buildings, excavate for sewer or water installation or connection with the sewer and water system of the town, or desiring to conduct a business within the town limits, keep animals, discharge firearms, or conduct any other activity within the town limits shall first apply for the necessary permits at the office of the town council. The town council shall issue all permits required and it shall be within their discretion to issue or deny permits.

5.02.020 Failure to Obtain a Permit

Any person who shall fail to apply for and obtain the necessary permits from the town council shall be in violation of this chapter and shall be punishable as provided in Section 1.08 .010 of this Code.
